

## **Job Opening: Leader - Campus Ministry and Faith Initiatives**

Bishop Feehan asks all in our community to “set our hearts on things above rather than upon goods of Earth.” Does a Catholic mission of Mercy, service, and community appeal to you? We are looking for a Campus Ministry leader to help us inspire our students and faculty and to grow our wide-ranging Campus Ministry functions into an integrated and effective whole-school, whole-student experience.

Maybe you have experience in church mission and ministry? Maybe you have experience in service programs? Retreats? High school classroom experience? Vibrant student programs? Charitable work? Leadership programs? Maybe you are a wiz at administrative and communication tasks?

Help us be ministers of the gospel in all we say and do. Help us support excellence in sanctity at Bishop Feehan High School. Help us inspire our students and faculty members and wider community to live lives of virtue and faith. We are open to your experience, creativity and passion.
