

Director, Teacher: Theatre & Dance

Bishop Feehan is actively looking for the person or people who will help us continue that tradition and build his or her or their own tradition of excellence in the years to come. This is an exciting opportunity for any professional looking to make an impact with students, as Feehan has scores of talented and terrific students, enthusiastic and supportive parents, and clear support (budget and more) from a theatre-loving administration.

While our current leader has taught a full class load of theatre and dance and directed both our fall and spring shows -- and Feehan's first choice would be a staffer who could also do all of those things -- we are also open to splitting the position, depending on candidates, experience, and time availability. Our highest priority is creating the best experience for our students and our theatre program.

If you are a candidate who is a great fit for all or parts of the below responsibilities, we would love to hear from you.
